## MIL'S MUSINGS

By Richard Milbrodt  
**SLICK SIGNS SIGHTED:** On the new Professional Building on Main Street was the brand new sign, "Professional Building." But don't look now. Before anyone could really get a second look, the painter (a professional painter) hastened back and dubbed in the second "s". If you were to ask us what is professional about the building, we would be glad to tell you. It's the sign.

**NOW WE KNOW RAIN** is scarce, but after all! On the afternoon of April 27, during a brisk shower, we witnessed two people watering their yards. One with a sprinkler, the other by hand. Come now, it hasn't been that long since you saw rain last.

And, mentioning rain, a man who says it is his business to know such stuff having been

## Petition To Be Circulated On Incorporation

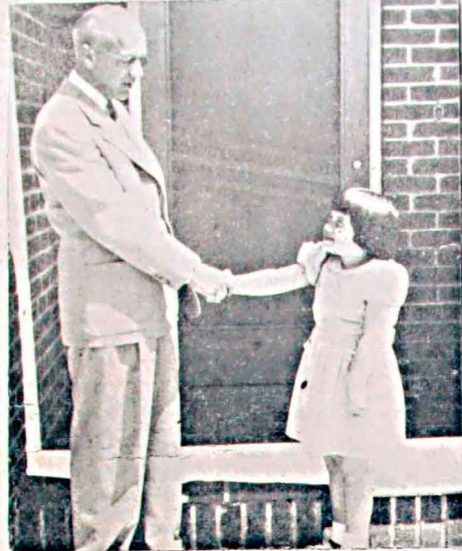

The Lemon Grove Home Rule Association decided last week at a meeting of the Board of Directors to commence circulation of petitions for incorporation as soon as possible. The Association also declared the intention to form a panel of speakers to hold forums throughout the Lemon Grove area to inform citizens of the meaning of incorporation. These forums will be open to the public with the first one scheduled for Wednesday evening, at the Golden Avenue school.

Skip Haag, Home Rule secretary, disclosed that a resolution passed by the Association claimed that an equalization of tax payments to be one of the foremost reasons for incorporation being necessary. "Each year the people of Lemon Grove pay in over \$125,000 in tax money to the State of California which is not being used to distribute services locally. Upon incorporation, Lemon Grove would immediately become eligible for these funds, and the resulting improvement to Grove citizens would be startling," Haag added.

The Association also claimed, via resolution, that while the County of San Diego is able to adequately serve the rural area, it is to meet the needs of the compact urban areas which Lemon Grove has become.

The Home Rule Association plans to hold another organizational meeting May 13 at which the chief order of business is scheduled to be clarification of the legal requirements of petitions. This meeting is to be held in Grove school.

## Young 'Voter' Names Dad For Trustee Election Activity Settles - Odds Favor Armstrong

"You can have my vote, Daddy." That's what Patsy Armstrong seems to be telling attorney Frank Armstrong who is running for school trustee in the school board election to be held Friday, May 5.

Patsy is 5 and enters the school system this fall and lives at 8230 Golden Avenue. Armstrong is a practicing attorney and is a member of the County Bar Association.

There are 631 approved cancer clinics in the U. S. today. The American Cancer Society points out that this is only about half and salary schedules for principals.

## School Board Meets Monday

The regular monthly meeting of the Lemon Grove School District Board of Trustees will be held next Monday, May 11, at 7:30 p. m. in the district office on Acacia Street.

The agenda will include tentative budget; re-employment of the certificated personnel; approval of employment of new teachers out that this is only about half and salary schedules for principals.

## Grove Theatre Re-Opens Friday With Fitting Fanfare

Lush, thick carpet sand drapes, given by Rev. Dan Apra, Attorney-at-law Frank Armstrong, who is running for school trustee, and Luther Hussey, who is also judge of the local court, will greet the new theatre owner.

The show will be open every evening with matinees on Saturday and Sunday, Ames said.

Included in the theatre's equipment is a screen which is readily adaptable to three-dimensional films.

"The Grove will play good, wholesome pictures as early as 'The Stooge' and a technicolor feature starring James Stewart, 'Naked Spur.' The show starts at 6 p. m. with the opening festivities to take place at approximately 7:30.

A welcoming address will be comfort and complete safety."

## 'School Board Could Be Improved' -- Brown Kiwanis Auction To Light School Playground

Aspirants for school trustee were taking it easy this week getting ready for the stretch drive which would place one of two men on the school board to fill the vacancy left by Lawrence Herder who elected not to run.

Leader appeared to be Frank Armstrong who lives on Golden Avenue, a practicing attorney with two youngsters ready to enter the local school system. A cursory quiz of local voters indicated that he would take the post by a 2 to 1 majority.

Trailing is William Brown Jr., son of Dr. and Mrs. William Brown. He lives on McKnight Street and has a four year old daughter. He is a Rohr employee.

The man in the street opines that the race is narrowed down to a single school of thought. One faction is dedicated to maintaining generally the present school administrative staff. It is believed that the other faction is dedicated to a school administration shake-up.

Regardless of charges of either aspirant, it should be pointed out that the board chairman is the only holdover on the board

"Persons who attend school board meetings have gotten the cold shoulder," he admitted, "but taxpayers and parents have not been encouraged to attend," he said.

"One of the questions that needs answering," Brown said "is why the board purchased a site for the proposed administration building for \$12,000 when it had originally began appraised at \$6,000."

"People raising these questions are not necessarily malcontents out to undermine the schools," as charged by my opponent. Parents, taxpayers, and even the school board, should ask a few questions. Most direct benefit for our children from the tax dollar will not come from a "rubber stamp" school board.

"I am not opposed to the present board, or the present administration, but I do believe their method could be improved," Brown stated.

"Serious minded citizens from the present board, or the present administration, but I do believe their method could be improved," Brown stated.

Closets and attics were being ransacked this week as spare pieces of bric-a-brac, unused appliances and items of middling to good value were piling up under the watchful eye of fire chief Hensley. Table lamps, toasters, autos to airguns, all are destined to go under the hammer at the Kiwanis second annual auction sale.

The object is to raise \$1,000.00 for lighting the junior high school playground. Families will be encouraged to make use of the school's recreational facilities in the evening, once the installation is made.

The sale will be held June 6th, on Saturday, in the vacant lot between Carr's Hardware and Broadway. The property is owned by Harry Griffen and Tony Sonka, in separate lots, and permission has been obtained by the Kiwanis for the use of the area.

Ray Wright, operator of the High \$ Auction Company on Broadway west of Massachusetts, has promised to cry the sale. So far, the biggest item is the contribution of an automobile by the Drew Motors Co. Broadway

## Fire Benefit Queen Named

Tickets for the Firemen's Benefit Dance to be held Friday, June 5th, went on sale this week by the local fire ladders and the hard-working ladies of the Auxiliary.

The dance will be held at Friendship and Wally Toomire's band has been hired for the occasion.

Fannie White, believed to be Lemon Grove's oldest resident, will reign as queen of the Ball. Mrs. White is 81 years old and has lived in Lemon Grove 52 years. Auxiliary members are designing the Queen's gown and they promise to have her dressed fittingly and bespangled as a queen should be, for the night of the dance.

A belle of the ball to bear the title of "Fire Belle" will be chosen from among students at Hensley.

## Dr. Hardesty To Address San Miguel P. T. A.

San Miguel P. T. A. will hold its final meeting of this school year, next Thursday at 7:30 p. m. in the school auditorium.

Dr. Cecil Hardesty, County Supt. of Schools, will speak on the topic, "Who Runs Our Schools?" As this meeting is only a day before the school board election, it should prove very helpful to the voters of this school district, to hear this important message.

Principal, Mr. Robert Sutton, will explain the change in school boundaries and the necessity of same.

The new officers for next year will be installed in an impressive ceremony.

The Board Members will serve refreshments.

## Mrs. Warburton Heads Kiwanis-Annes

The regular meeting of the Kiwanis-Annes was called to order by Mrs. C. Mason at the home of Mrs. S. C. Brumbaugh. Co-hostesses were Mmes. John Landesco and Robt. Sutton.

The nominating chairman, Mrs. J. A. Jones named the following officers for the coming year.

President, Mrs. Thomas Warburton; Vice President, Mrs. S. C. Brumbaugh, Jr.; Secretary, Mrs. Geo. Brassaington; Treasurer, Mrs. Wm. Nienaber.

Four new members present were Mrs. R. L. Lane, Mrs. H. L. Hensley, Mrs. F. R. Faucher, Mrs. D. E. Erwin.

## Sonka Accused In Chamber Squabble

Charging that the Cypress-Alton improvement project was railroaded through by Tony Sonka, and that he used Jim Pearce as a messenger boy, Max Goodwin, publisher of the REVIEW said that the business section is being retarded by the action. A direct road connecting Lomita Village with Broadway is a vital necessity for the orderly development of the community," he stated.

The charge was made at the regular meeting of the Chamber of Commerce Tuesday night. Goodwin was seated as president prior to the election of Robert Gauldin named to head the chamber for the remainder of

1953. The vacancy resulted from the resignation of Roy Nielsen at a special meeting last month.

Clarence Milbrodt, Piggly Wiggly manager, was nominated to the board.

More than a score of residents protested chamber action on the widening of Cypress street and the board unanimously repudiated a letter which had been written by the board's secretary at the dictation of Sonka. This letter had asked the county road commission to improve the convergence of Alton and Cypress.

The Board requested the county superintendents to sit with them on the Lomita-Broadway hook up road.

## How Big Is "Big" Is The Question

Last month the sign, located at the southwest corner of Olive and Broadway, offered the property for lease but recently it has been repainted and if you believe in signs, something "big" is coming there.

## Civic Investigating Committee To Continue Fact-Finding

A meeting of the Lemon Grove Civic Investigating Committee was held last Monday night.

Two quizzical and interested business people, Dave Cunningham, manager of the local McMahans store, and Stephen Westover, he of the lumber firm fame are split in their opinions as to what it will be.

The name of this group was changed to "Greater Lemon Grove Civic Association," which is more representative of its services. Lee Thompson is president of the Association; Lawrence Giller was elected Vice President, and Mrs. Russell Foster, Secretary-Treasurer.

It is the opinion of the newly formed group that sufficient facts to make a decision are not available at this time. The Civic of their opinion by attending a Association plans to gather public meeting of the Association in connection with the problem confronting Lemon Grove. This group intends to have sufficient facts and public opinion by the middle of July to offer an intelligent recommendation.

All citizens of Lemon Grove are invited to give the advantage available at this time. The Civic of their opinion by attending a Association plans to gather public meeting of the Association in connection with the problem confronting Lemon Grove. This group intends to have sufficient facts and public opinion by the middle of July to offer an intelligent recommendation.

Recently they turned in their reports to the local Chamber of Commerce without recommendation. Following a session that got out of control to the extent that the group broke into two factions, one group has undertaken to petition for the incorporation of Lemon Grove and is called the Home Rule Association. The remaining group, keeping the original name, is in the process of deciding whether they will stand for annexation or status quo.

The REVIEW has attended many of these meetings and has studied carefully the reports filed by the Committee. The REVIEW finds nothing in these reports to indicate that incorporation is the answer to our community and civic problems. Moreover, the REVIEW guesses that the issue would have trouble garnering as many as 200 votes if brought this year, provided circumstances remain as they do now.

Neither does the REVIEW stand editorially for annexation. It stands for status quo, with continuing studies to be made by civic minded groups. Some day, the pressure for incorporation or annexation will be upon us but that will be when we may obtain more services for less money. That day is now yet here.

## AN EDITORIAL

By Max Goodwin

This newspaper has long felt that it should make its stand on incorporation known. We, as have many others, have been waiting for the reports of the Civic Investigating Committee to be handed in before making a decision. Since this group represented all elements of our civic community and had been charged with the responsibility of acquiring information and making a recommendation, the REVIEW publicized their actions with enough space to let every one of our readers know that such a group was in existence.

## Mussels Are Poison Is Warning

The yearly quarantine order on California mussels, extending from Oregon to the Mexican border, is now in effect. The quarantine will prohibit the collecting or selling of mussels for any use except fish bait until October 31, 1953. Dr. J. B. Askew, Director of Public Health, emphasized that "the purpose of the ban is to save lives." He warned that during the summer one bite of a mussel may be fatal. Certain foods that mussels eat at this season of the year produce with in the mussel one of the strongest poisons known. With few exceptions, the poisoning mussels are not distinguishable from the non-poisonous mussels by looks, smell or taste.

## "Treganza Tribe"

By Robert Turnbull

By Robert Turnbull  
3rd in a series of 4 on  
the Treganzas

This week's article is on a widow named Antonet Treganza, wife of the late Alberto Owen Treganza. Antonet was born on Sept. 3, 1888 in LaCrosse, Wisconsin, where she soon discovered that she was an only child. Antonet is presently 64 years young. Her relatives are few but important. Her real father had, we must admit, a fairly "nervous" job, that being a collector of currency from people that had ice refrigerators. Her father's name was Charlie Kaufman; her mother's name was Lydia Powers. Her grandfather on her mother's side, named Hiram Powers, sculptured a statue titled "The Greek Slave," the envy of many and any art student. And, of course, like any other person, one of her most distant relatives signed the "Declaration of Independence," also named Powers. Her youngest schooling was at a Clinton Grammar School in St. Louis, Mo., then on to Central High in the aforesaid city. The first club Mrs. A. O. Treganza ever belonged to was the "Girls Literary Society" while at C. H. After getting out of High School, Antonet came to Corning, California, for one year to live with her folks, then back to St. Louis she trotted.

When she did come to California, for good, it was on a Christmas Day in 1926 with her 5 children from Tampa, Fla. They were, Antonet and her husband, Eleanor (17), Eloise (15), Amorita (13), Adan (9), and Adalaida (5).

While living in Lemon Grove, Antonet Treganza did many a noteworthy thing. She, for many years, gave the Bird Tests to the Boy Scouts of the Grove.

Here are the greatest accomplishments that this woman ever did: Antonet was President of the "Woman's Democratic Club of Calif.," President of the "Lemon Grove Chamber of Commerce"; President of the "Lemon Grove P. T. A." (where she recently received a life-membership); Officer in the "Lemon Grove Forward Club"; "Postmistress" of Lemon Grove; Reporter of one of the earliest newspapers in this part of the county, the "Lemon Grove-Encanto News-Beacon"; and she wrote articles for the Lemon Grove Review from 1929-48. Such articles as, "Nature's Budget," "Talks and Walks with Mother Nature," "Feathers, Facts, and Figures," "Lemon Grove Notes," "Lemon Grove Nature Walks," "Garden Section," and "Chamber of Commerce Activities."

Any job that Antonet (pronounced: an-two-na) ever had was mostly Secretarial, that is

## U. S. Wants More Bookkeepers

What's the difference between an accountant and an auditor? Frenchy Faucher, Lemon Grove Postmaster, says, "In the simplest terms, an accountant makes up accounts, and an auditor analyzes them."

Whatever the difference, he says, there are openings for accountants and auditors in Federal agencies in California, Nevada and Arizona, in essential work involving business accounting, cost accounting, etc.

Starting salaries range from \$4,205 to \$8,360 a year. There is no maximum age limit. The minimum grade requires at least 3 1/2 years of general experience. Higher grades require general and specialized experience.

before she ever settled in our fair community. Actually Lemon Grove can claim all of her talents were brought up and spent her except for two things. They are: one, she helped her husband classify birds for the U. S. Gov't. in Utah; second, she had five children in Salt Lake City. (Next week: The Treganzas' Five Children and Their Children and their children).

## ECONOMY SIZE

A completely automatic home washing machine, only 24 inches wide, designed for apartments, small homes, trailers and wherever space is at a premium, is one of the latest home laundry appliances that emphasizes economy in every sense.

One of the main attractions of this new counter-high automatic washer is that it will hold eight pounds of clothes, a load equal to the maximum suggested capacity of many larger sized washing machines. There is plenty of room for clothes to circulate freely through the wash water. Actually, the tub is large enough to accommodate a 50 pound child with space to spare. Operation of the washer is simple; water temperature is selected, the machine is started, soap, water and clothes are added and the washing time is set by the turn of a simple dial. The machine washes, rinses and damp-dries without further attention.

A suds-mixer attachment (upper right) that pumps suds and water into a stationary tub after clothes are washed and returns it for the next load is an optional addition at slight extra cost. This saves up to half the cost of soap and water. Sediment is removed from the water after each washing.

## Grove Woman in Air Race Again

Mrs. Isabelle McCrae, Lemon Grove entrant in the annual Ninety-Nines trans-continental air race, will be one of the hostesses at the Fifth Annual Aviation Ball May 14th at the American Legion Hall, 8118 University Ave.

The Ninety-Nines is an international organization of licensed women pilots. Mrs. McCrae last year was the first to reach Teterboro airport, the 1952 race's termination point.

This year the route is reversed. The race starts at Lawrence, Mass., July 3 with Long Beach the destination.

The annual Ninety Nines Convention will be held in San Diego July 9th.

## Rummage Sale To Benefit Helix Band And Orchestra

A rummage sale is being held on May 14, 15 and 16 in downtown Lemon Grove to benefit the Helix High School Band and Orchestra students. The rummage sale is being sponsored by the Band and Orchestra Parents Service Club. Goods can be donated to the group by either leaving them at Helix High School during the morning or by calling the following numbers to arrange for pick up: H6-9611, H6-4346, H6-4619. All proceeds will go to the Band and Orchestra students in the form of scholarships, awards, new uniforms or new instruments. Co-chairmen are Mrs. R. M. Reed and Mrs. H. B. Millman.

Why not repay the band for all its fine entertainment during this school year and give some articles to the rummage sale.

## IKE BEDRIDDEN AFTER OPENING BALL SEASON

VICTIM OF DIGESTIVE UPSET, President Eisenhower is obviously ill as he sits in car at Anguilla, Gu., en route to golf club where he immediately went to bed. He flew to Anguilla from Washington where he tossed first ball, opening baseball season. With President are from left, Sen. Ferguson (R), Mich.; Speaker of House Rep. Joseph Martin (R), Mass.; Vice President Richard Nixon and Clark Griffith (far right), owner of Washington club. (Interpress)

## Lemon Grove Girl Scout News

Friday Mrs. Irwin Johnston's troop No. 575 divided into two No. 554. Mrs. John Kish will tell patrols to lay trails as part of

their Tenderfoot training. The girls also studied the compass.

Next Friday Mrs. Johnston's troop will have as guests the girls of Mrs. Zippwald's troop No. 554. Mrs. John Kish will tell skits, singing and dancing were enjoyed by all.

## Helix To Choose "Fifty-Four" Pepster

The prospective song and cheer leaders of Helix High have been busy practicing these last three weeks.

Preliminary try-outs were held Thursday afternoon in the Helix Little Theater.

The following girls were chosen to run for song-leader: Pat Weber, Bernadette Medina, Diane Cassell, Carolyn Oliver, Betty Hernandez, Lulu Doud, Charlene Hansen and Marjorie Tripp.

These candidates are to run for cheer-leader: Cecelia Lyons, Sandra Whaley, Glen Crosbie, Bob Beasley, Barbara Tann, Midge Wilson, Jack Felson, Mike Dickson, Carol Covert and Barbara Brinkman.

## These Girls Sold 240 Cases Of Peanuts

If you have indigestion from overeating peanuts charge it to sweet charity, it is for a good cause!

Perpetrators, we mean wonderful leaders of the project that sold and distributed 240 cases of peanuts were women of the Blue Birds and Camp Fire Girls.

Outstanding salesladies among the individual groups were: Bonny West — 252 cans. Zena Dail — 294 cans. Sandy Lizama — 240 cans. Margaret Dail — 200 cans. Beverly Lizama — 168 cans. Colleen Flignan — 151 cans. DeeAnna Anderson — 114 cans. Linda Magnusson — 120 cans. Suelien Rolniak — 125 cans. Kathleen Holmes — 112 cans. Judy Johnson — 110 cans.

A special movie was shown at the Orpheum Theater in San Diego for all the girls who sold the sixty cans or more. Fifty girls from this district attended with their leaders.

(Ed's note: The publisher of the REVIEW, along with many another civic minded citizen, will donate several cans of peanuts to any worthy project.)

## Sunshine School to Hold Benefit Party

At least one physically handicapped child in Lemon Grove is looking forward to a Day Camp recreational program this summer because of the enthusiastic work of members of Sunshine P. T. A. in a "Lavender and Old Lace" benefit party. The party will be held May 15th at 7:30 p. m. at Sunshine School, 767 South 35th Street.

Classrooms at Sunshine School close for summer vacation, but therapy continues, so the happy combination of therapy and recreation in a Day Camp program is welcomed by these brave youngsters who are working hard to overcome their handicaps. The severely handicapped children, big and little, do not let a handicap interfere with their enjoyment of the recreation program. A big order of fun mixes well with the doctor's order for therapy.

## San Miguel First Graders Visit Zoo

First grade boys and girls from Miss Sisti's and Mrs. Miller's rooms visited the San Diego Zoo recently. The boys and girls took their lunch and spent most of the day there. Many interesting stories and pictures were made as a result of the trip. Parents aiding the teachers were Mrs. Maurice Collins, Mrs. Mark Haag, Mrs. Alfred Touchet, Mrs. George Eaton, Mrs. Jerry Johnson, and Mrs. Calvin Brashears.

Many cancers can be cured but only if detected in time, the American Cancer Society points out.

## San Miguel School News

A school wide disaster drill was held recently with excellent results. In less than ten seconds after the signal was given, every child was under cover and in the position prescribed by the Civil Defense Organization. Future drills will be held at odd times during the school day when classes are at play, in the cafeteria, getting off the bus, etc. It is the aim of the teachers and principal to have the children prepared for any eventuality.

A noon time athletic league has been formed at San Miguel School. On Tuesday, Wednesday, Thursday and Friday all boys in the third, fourth and fifth grades are participating in a softball tournament. Six teams are involved and captains have been elected as follows:

WILDCATS — Jimmy McFeeley.  
BEES — George Reibert.  
PANTHERS — Jimmy Ball.  
DRAGONS — Mike Calvert.  
SPITFIRES — Binky Thornton.  
YANKEES — Steve Tamila.

## Helix Hostess To Home-Ec. Association

The San Diego section of American Home Economics Association will hold its May meeting at Helix High Friday. A pot luck dinner will be served in the cafeteria.

Officers and committee members for 1953-54 will be introduced. A tentative program for next year will be outlined by the incoming President Wilda Hay of Helix High.

Between gladiators, and chariot races to the program of the early trade fairs.

## GOOD NEWS FOR Homemakers

TO START THE DAY RIGHT, treat yourself to a generous helping of cheerful thoughts and a liberal breakfast. As the poem says:

Eat a fine breakfast  
To start the day right.  
It helps make you happy  
And healthy and bright!

As you know, the food experts say it's important to have 3 square meals a day. Breakfast is especially important. Because your system goes without food for a long period — from dinner to breakfast. Follow this kind of meal pattern for good daily fare.

BREAKFAST: Tomato juice or citrus fruit; cereal with milk and sugar; hot toast; bacon or sausage.

LUNCH: Vegetable soup, tuna salad; fruit cup; cookies; milk.

DINNER: Ham a la king on biscuits; buttered asparagus green salad; bread and butter; cherry pie; milk or coffee.

### V.L.M. Fathers And Daughters Enjoy Dance

Over one hundred fathers and daughters enjoyed a dance Friday at Vista La Mesa School when the girls of the seventh and eighth grades of the Lemon Grove Intermediate School held this annual get-together under the sponsorship of the physical education department.

Miss Donna Dreyer, girls' P. E. instructor, acted as mistress of ceremonies for the evening's program. Group from the various classes presented dances they had learned in gym classes, and girls from the 7-5, 7-6 classes won first place with Metro Polka. Members of the team included Mary Conlee, Marlys Daggett, Jean Hickman, Judy Wallace, Dawnetta Williams, Donna Palmer, Carol Willig, Hazel Martindale, Velma Buckingham, Pat Frates, Sandra Waggner, and Genevieve Matthews.

Other dance teams to place in the competition included the 8-5, 7-4 girls who danced "Grapevine Twist" and the 8-1, 8-2 girls with their "Sally Good-in."

Judges for the dance routines included Mrs. Edward Kinyon, Mrs. Carl Planchon, Mr. and Mrs. Robert Brown, Mr. and Mrs. Maurice Avery, and Mr. and Mrs. LeRoy Birch. Faculty sponsors present, besides Miss Dreyer, were Peg Darroch, Evelyn Whalen, Tom Brogan, and Ben I. Schei, school principal.

### Peg Darroch At Press Ass'n.

As public relations chairman for the Lemon Grove District Teachers Association, Peg Darroch attended the California Education Press Convention this Wednesday in Los Angeles. She was invited to the convention as editor of "Lemon Aid," the local association publication, and also represented the "Teacher," publication of the San Diego County Teachers Association. Mrs. Darroch is club editor of the latter. She attended the convention with Lambert W. Baker, research coordinator for county schools and editor of the "Education Newsletter," monthly publication of the county superintendent of schools office.

### Monterey Heights School News

At a recent flag raising ceremony at the Monterey Heights School, the regular color guard was joined by an honor guard of historical American flags made by a committee from Mrs. Stocking's fifth grade. As the flags were presented, each pupil told something of the history of the flag he had made. These included the Cambridge flag by Brenda Priest, Betsy Ross flag by George Radice, the Star-Spangled Banner by Allan Lachman, the Great Star flag by Joan Fraser, and our possible new flag, after admission of a new state, by Gerry Bemis.

The class then sang two patriotic songs in honor of the flags.

## Grove Band Gets 3rd Prize In Maytime Revue

With 94 units competing in the annual National City Maytime Revue last Saturday, the Lemon Grove School Band won third place recognition in the high and elementary school classification. Sixty-five girls from this district, under the direction of Paul Atham, marched smartly in the parade, followed by the high-stepping band major, and the majorette corps. Twenty girls, all students of the intermediate school, were dressed in the school colors, gold and green. Martha, seventh grader, is responsible for the precision performance of this corps.

The eye-catching pom poms from the school, bright in gold and green, with large pom poms, preceded the band. This group of girls, led by Yamashita and instructed by Miss Donna Dreyer, rated fourth place trophy from among all pom pom corps entries.

As a result of the Revue, two trophies have been added to the already crowded trophy case in the main office at the school. Although a small school, the Lemon Grove students are well-known in the many musical activities throughout the county.

around here for 20 years says that we can expect no more rain until November and that we have had 9.10 inches this year.

**THE RECENT DEMISE** of Randolph Morse, old-time local resident, caused Tony Sonka to remember back when he worked in the grocery store here, the only one around. Randolph's father enjoyed specialty food and often had one of the family call down to the store to order it. One time Sonka received a call from Morse for sweetbreads. Sonka sadly informed the caller that he didn't stock such specialties, but would try and get some for them since they were such good customers. "I called three bakeries before I found out what it was," Sonka said.

**HERE IS SOMETHING** you probably have been waiting breathlessly for years: The average milk cow in a regular 24 hour day spends 411 minutes grazing at the rate of 50 bites per minute; 580 minutes are consumed lying down; and 195 minutes are used "doing nothing in particular." Source of this invaluable knowledge? A recent study conducted by the U. S. Department of Agriculture.

BE ON THE LOOKOUT for

common soda pop to be sold in cans at your local grocery supermarket. Probably within the year, advantages are claimed to be several. Save storage space, don't break, stack easily, do not have to be returned, save the poor grocer from sorting out the different labels, and save deposit money.

**FROM ONE OF OUR COM-PETITORS** we steal this pertinent quotation: "It is a civic tragedy that so few Lemon Grove residents are Lemon Grove citizens."

**DOWN AT THE BARBERSHOP** we heard one of the customers state that he went over to Murray Lake on May 1 to see if anyone was catching any fish since that was supposed to be opening day. Nobody was fishing and the sign declaring May 1 to be opening day had pencil scratchings over the number 1 with 2 written above. Our man wondered if May Day celebrations had anything to do with the one day postponement. For once, everybody laughed instead of getting riled at the mere mention of anything Communist.

## Elizabeth Frances Shop Closes

It's farewell to Lemon Grove business by the Elizabeth Frances Roberts, shop operator said. "I'd like to thank the many friends and patrons who made my business experience so pleasant," she added. L. G. R. Roberts has been overseas almost from the time of the shops' operation. Mrs. Roberts will undergo surgery at the Naval Hospital before they leave for the east coast.

## Donna Berger And Wayne Pintrich Get School Honors

Donna Berger of the 8-2 class has been selected by the student council of the Lemon Grove Intermediate School as "girl of the week." Wayne Pintrich of the 8-3 class won the title "boy of the week." These two students, for the next fourteen days, will be permitted all the privileges of the school because of outstanding scholarship, citizenship and general personality. The council, under the sponsorship of Mrs. Virginia Cornelius, provides large colorful armbands for the winners.

lixi. Appropriate gifts will be presented to both ladies in a ceremony the night of the dance. Meanwhile, officers have been named for the newly formed Auxiliary. Mmes. H. Hensley is president; H. Alexander, vice president; J. Sanchez, secretary and Ray Carmody, treasurer.

Mmes. N. Tubbs, F. Dixon and P. Corrigan make up the by-laws committee while Mmes. J. White and E. Bolieu are the Queens Committee. The ladies, incidentally, invite any woman interested in firemen's benefit work to join their organization.

## Election Activity

Continued from page 1 and it is probable that these charges will be made again in regular meetings.

Voters will indicate the trend they intend to stand by when they traipse to the polls next Friday, May 15th. Polling places will be the school where the children go, or the school nearest the home in most cases. The junior high school on School Lane and Central will be used rather than the Elementary school. Voting hours will be 7 a. m. to 7 p. m.

## School Board

Vista La Mesa, Monterey Heights and Lemon Grove proper approached me, offering their assistance in the present situation. They felt that something should be done to get an unbiased representative on the school board who would ask questions and let them know what is going on," he said. "This I intend to do," he added.

Brown said that more than 100 persons had contacted him following the publication of a statement by Attorney Frank Armstrong, his opponent, in the last issue of the REVIEW. "Such concerted interest should be answered," Brown said.

Residents along mail routes are urged by the postmen to turn a handkerchief on their mail box on their porch lights, attach a towel to the door knob, or hang

## Control Board Plans Benefit Dance

At the regular meeting of the Youth Center Control Board, Monday, June 20th was set for the spring dance which is to raise funds to maintain the Youth Center during summer when little revenue is received.

Cooperation and assistance was promised from organizations represented at this meeting and it is hoped that the other local organizations and the citizens of the community will wholeheartedly support this project. Clubs represented were Girl Scouts, Boy Scouts, V. F. W., Bus Wms. League, L. G. Women's Club, Jrs. and Lions Club. The treasurer's yearly report will be read at the June 1 meeting. Mr. I. Johnston, Chairman of the Board, urges all local clubs to have representatives present.

## Congregational Church Notes

By Vera Ludlow

Mrs. Joanna Koehler, psychiatric social worker with the San Diego Mental Hygiene Clinic, will speak in Friendship Hall Thursday, May 14th, at 7:30. Her topic, "Living With Children of Nursery School Age" will be of interest to all parents of preschool children. Those who appreciated Dr. Barbour's address will enjoy this discussion on the care of children.

Friendship Hall is to have its face lifted. There will be an All-Day Work Party Saturday, May 16 to start painting the building to match the Congregational Church. The men will do the painting, some of the women will start spring housecleaning inside while others will prepare the lunch and keep a steady flow of lemonade or coffee to the workers.

## Helix Band Off to Redlands

Helix High School Choir will go to Redlands, California Friday for the annual Southern California Music Festival. Schools from the southern part of the state take part in the gigantic vocal music festival held each year at Redlands College. Mr. Robert A. Rue, Choir Director will accompany the Choir which will leave by bus from Helix High School at 8 a. m. Friday morning.

Last year, Charter year for the Helix Choir, they rated among the highest for musicianship and costuming.

On the program to be judged, the Choir will sing "Climbin' up the Mountain, Chillin'." "Give Me Your Tired, Your Poor," "You'll Never Walk Alone," "Dark Getsemene."

Chaperones for the trip include Mrs. Charles Brown of Lemon Grove and Mrs. B. M. Van Fleet of La Mesa, members of the Choir Parents Organization.

## Mothers To Reign At Coronation Tea

## Sky-Blue Lobelia Thrives In Lemon Grove

For edging a bed of annuals, for spacing through your rock garden or for adding a drift of blue color in some unusual location, don't overlook the dwarf lobelia. Here is a superb border plant of proven merit that has won the affection of gardeners in the Lemon Grove area.

Dwarf lobelia, according to the California Bedding Plant Advisory Board, works well as a double border with the yellow and

orange of dwarf marigold, the many shades of dwarf begonia or with dwarf white alyssum. In rock gardens lobelia provides a beautiful contrast with alyssum saxatile or Iberis Semper-virens.

The most popular variety is Crystal Palace. In full sun areas, its flowers deepen to indigo blue while the foliage turns a rich bronzy red. Several lighter blue varieties are favored by some gardeners and a white variety also is generally available. All have the same dwarf growth and the same heavy yield of blossoms.

Lobelia is started from one of the smallest seeds in the flower kingdom, yet the mature plant is strong and sturdy and takes considerable abuse. Plants set out from flats now will quickly establish themselves. They will require little care and will withstand considerable drought. Lobelia rarely is troubled by any of the common garden pests. And should a plant start growing out of bounds, a quick haircut will trim it down to the desired size; in a few days times it will be back to normal, yielding blossoms by the bushel.

## Y-Teens Present Carousel

The annual Carousel Dance will be held at the La Mesa Youth Center from 8 to 12, May 9. It will be dressy dress.

All Y-Teens from Hoover, Grossmont and Helix are invited. A queen to reign throughout the evening will be chosen out of seven candidates.

## La Mesa Pastor Resigns

The Rev. Leon E. Raines, Minister of the La Mesa United Presbyterian Church, has announced his resignation — effective July 1 — in order to accept a position as Assistant Minister of the Point Loma Community Presbyterian Church of San Diego. In his new work he will be associated with Dr. S. Dean McBride, whose outstanding ministry has guided the growth of the Point Loma Church from 300 to nearly 1400 members.

## Mrs. Beebe Heads Beta Sigma Phi Group

Mrs. Don Beebe of Lemon Grove will be installed as the President of Theta Omicron Chapter of Beta Sigma Phi sorority on Saturday at the home of Mrs. Robert Argo. A dinner, before the ceremony at 7 p. m. with husbands of the members as special guests, will be held.

Mrs. Harry Martin, retiring President, will install the incoming officers, which also include Mrs. Hal Emerson, Vice-President, Mrs. Charles Whitlock, Re-

## Annual Art Award Deadline Nears

Deadline for the receipt of work for competition in the Coronado Art Association's annual award of art scholarships is May 15. Original examples in any medium should be sent to the Coronado School of Fine Arts, 176 C Avenue, Coronado, with an accompanying letter stating age, previous training, and future plans of the competitor.

According Secretary, Mrs. Robert Argo, Corresponding Secretary, Mrs. Charles Francis, Treasurer, and Mrs. Edward Beistline, Extension Officer.

## Peggy Thomas To Wed

Wedding date has been set as June 21st for the marriage of Peggy Thomas, daughter of Mrs. Louise Thomas, 7486 Pacific Avenue and Carl A. Herder.

Carl is the son of Mr. and Mrs. Lawrence Herder, 7052 Central Avenue.

The bride-to-be is a senior at Helix while the groom graduated from Grossmont and S. D. Junior College.

## Mrs. Dail Named Head of L.G. P.T.A.

At a special meeting of the Lemon Grove School P. T. A. executive board, Mrs. John Dail was elected to the presidency of that organization. Her election by the board fills a vacancy caused by the resignation of Mrs. H. Bowers, who had been elected to the office last month. It was with regret that Mrs. Bowers' resignation was accepted, but she and her family expected to move to Panama in the near future and she would thus be unable to carry out the duties of her office here.

Mrs. Dail is attending the state convention for P. T. A. officers in Long Beach. A complete report of the convention will be given to the members here at the May installation meeting on May 21.

## "Adam And Fallen Man" Lesson-Sermon

"Awake thou that sleepest, and arise from the dead, and Christ shall give thee light." This declaration of Paul to the Ephesians (5:14) is the Golden Text of the Sunday Lesson-Sermon, "Adam and Fallen Man" in all Christian Science churches.

## IT'S EASY WITH INSULATING BOARD

### Attic Now A Circus Room

Just an ordinary attic remodeling job wasn't enough for this family, faced with an overcrowded housing problem. They picked a circus theme. And they did most of the work themselves, using hardboard and lumber for the trimmings, and predecorated insulation board to decorate and insulate the ceiling. Now it's complete with ring, side show and menagerie—really a fun room for the kiddies.

### Here's Novel Menu Idea

Very clever these Chinese! But the American homemaker has a note to add when she uses economical nonfat dry milk in making Salmon Egg Foo Yung.

Every ingenious homemaker is on the lookout for interesting recipes, especially for meatless menus. We nominate Salmon Egg Foo Yung made with two economy pantry shelf items—canned salmon and nonfat dry milk—as a new and practical note. Nonfat dry milk, available at the grocer's, comes in a one-pound package which yields five quarts of nonfat milk for as little as nine cents a quart.

**Salmon Egg Foo Yung**  
(Makes 6 servings)  
2 tablespoons finely chopped green pepper  
2 tablespoons finely chopped celery  
1/2 cup finely chopped onion  
1 tablespoon butter  
6 eggs  
1/4 cup water

6 tablespoons Starlac nonfat dry milk  
1/4 teaspoon salt  
1 cup (7 1/2 oz.) canned salmon, finely flaked  
butter

Sauté green pepper, celery and onion in butter until tender but crisp. Beat eggs slightly. Stir in water. Sprinkle Starlac nonfat dry milk powder and salt over eggs; beat with rotary beater until just blended. Add green pepper, celery, onion and salmon. Heat small amount of butter in small frying pan. Pour 1/2 cup of egg and fish mixture into pan. Cook over medium heat, until golden brown; turn and brown other side. Repeat, making six cakes. Fold each cake in half. Serve hot with hot fluffy rice, mustard and soy sauce.  
\*Any other cooked fish may be used.

## Camp Fire Girls Have Ceremonial

Then Tan-da Camp Fire Girls of Lemon Grove, held a candle light ceremonial recently at the home of Mrs. Agnes Lizama the group leader. The girls received their Ceremonial beads for honors in crafts. Certificate and stars caused by the resignation of Mrs. H. Bowers, who had been elected to the office last month. It was with regret that Mrs. Bowers' resignation was accepted, but she and her family expected to move to Panama in the near future and she would thus be unable to carry out the duties of her office here.

The following girls received the above honors: Evelyn Anderson, Beverly Lizama, Billie Lea Stark, Billie Jean Porter and Diana Anderson.

New members introduced were Betty Finney and Marjorie Howry. Refreshments were served.

## Motel Business Booming

The motel business is mushrooming in San Diego County as well as elsewhere in the U. S. The question is, "Are motel units being added faster than prospective occupants?"

Our surveys show that in the San Diego area, the hotels are retaining their share of the tourist trade, percentage-wise; and that the motels are lodging many visitors who previously stayed in private homes, plus increasing numbers of traveling salesmen.

The number of tourists visiting the San Diego area has increased 50 per cent in 5 years; the number of motel units increased about 60 per cent during the same period.

## Tourists Boom Business

Unusually mild weather all over the U. S. this past winter affected tourist travel to southern climes. Motorists who would normally have traveled U. S. 80

## 'Calamity Jane' Rides Again—This Time for Civil Defense

Once a famous name of the Old West, "Calamity Jane" today is a new, highly versatile rescue service truck built by Reo Motors, Inc., for the Federal Civil Defense Administration. Carrying 99 different items in its ingeniously arranged body, the truck will serve as a mobile base of operations for rescue work in the event of disasters. It combines the operations of an ambulance, fire truck and utility trouble-shooter. The "Calamity Janes" have been ordered by civil defense agencies in 28 states, Guam and Hawaii. It is shown here on "Disaster Street," a unique Civil Defense training center at Olney, Md.

## Highland Lads And Lassies

Robert Turnbull

Beach Parties! Swimming-Pool Parties! Just a party! Queen Party! Can you think of any more types of parties? To start off with, here's a party that was decided on about 8 minutes before the first platter was spun. Joan Wilson, one of our capable cheerleaders, was party giver on Monday night, April 27. Highlanders seen dancing there were: Sandy Hassen, Joan Wilson, Patti Culver, Carolyn Oliver, Dixie Graham, Ron Fix, Bill Bloom, Edgar Stemen, Bob Turnbull, Fred Harlow and Gary Schikatz.

Swimming-Pool Party is the next in line. Whom is it? Why, the Lemon Grove First Congregational Church P.F.F.s, all of whom attend "THE" High School. They, the students, got together on Sunday afternoon, April 26, and went down to the plunge at Mission Beach. Kids: Carol Kreger, Kathy Blecha, Connie Allen, Donna Lee, Kris Johnson, Karen Dawson, Doug Beels, David Lee, Bobby Hensley, Eugene Beers, and Bob Turnbull.

As the most of you know, Monday night, April 27, at the Legion Hall in La Mesa, was the crowning of the Rolando and La Mesa Queens, well here are a list of some of the Highlanders that patronized the hall. Lads and Lassies: Marilyn Hawkins, Lulu Doud, Betsey Johnson, Maxine Seifert, Ann Engfelt, Shirley Campbell, Patti Culver, Sandy Hassen, Diane Sodagram, June Edwards, Sandra Seby, Roberta Christianson, Lilly Jones, Sharon Schiller, Sue Bledsoe, Marilyn Killman, Sandy Anderson, Mary Ann Turner, Dixie Graham, Con-

## New Trainer Gives Pupils Driving Lessons In Classroom

"BEHIND-THE-WHEEL" DRIVER TRAINING on the Aetna Drivetrainer, a revolutionary classroom training device introduced in February by the New York City board of education at the Brooklyn High School of Automotive Trades. Developed by the Aetna Casualty and Surety Company, the Drivetrainer has 15 small Aetnacs which students "drive" over highways shown on movie screen at front of classroom. Instructor is in background at control cabinet, where actions of each student are automatically recorded.

Cars that give many miles of driving experience without moving even an inch are being used in a New York City classroom for "behind-the-wheel" training of driver education students.

The cars are part of a revolutionary new training device that enables one instructor to give "behind-the-wheel" driving lessons in the classroom to fifteen students at a time.

Called the Aetna Drivetrainer, the device was developed by the Aetna Casualty and Surety Company and is being loaned to the New York City school system in a cooperative effort to pioneer a better and safer way of teaching teen-agers how to drive.

The first installation of its kind in the country, the Drivetrainer consists of 15 small Aetnacs in which students get "behind-the-wheel" training by learning to meet traffic situations shown on a movie screen at the front of the classroom.

The way each student "drives" is automatically recorded on a control unit at the rear of the classroom, where the instructor can guide the training of all 15 pupils simultaneously.

The Drivetrainer not only enables totally inexperienced youths,

without risk to themselves or others, to be trained for everyday driving, but also provides a means of drilling students to react automatically and correctly in meeting highway emergencies, a phase of driver training not covered by conventional methods.

Controls and instruments on the Aetnacs match those of standard automobiles. Instead of a motor, however, the cars house under their hoods a complex nest of electro-mechanical devices engineered to duplicate in realistic fashion the operation of the controls on real automobiles.

Simulating the hum of a car engine, an electric motor whines as you depress the starter button, and the more you step on the gas pedal the louder it gets. The clutch pedal operates under true pressure, even to the point where the driver can feel it "take hold" as the gears become engaged.

The 22 movies produced especially for use with the Drivetrainer constitute the first complete driver training course ever prepared on film to be centered around "behind-the-wheel" training in the classroom.

In addition to such elementary skills as the smooth coordination of brake, clutch and accelerator in

starting and stopping, steering on curves and winding roads, turning corners, following the car ahead and signaling, the films also take in more complex driving problems like making "U" and "Y" turns, driving on hills, diagonal and parallel parking, driving in light and heavy city traffic, backing, and passing.

Besides instruction in actual operating techniques, moreover, the films stress the development of proper attitudes that make for safe and courteous driving. The final film is a grueling 25-minute road test, which New York educational authorities believe cannot be rivaled in the scope of highway situations it covers.

During the trial period, the Drivetrainer will be evaluated by the New York board's bureau of educational research, and its findings will be reported to educators throughout the country. Since the Drivetrainer makes possible large savings in per pupil training costs by providing "behind-the-wheel" training for 15 or more pupils under the guidance of one instructor, successful use of the device in New York is expected to lead to its adoption by other school systems throughout the country.

## Are You Guilty Of Doing Things Like These..

Most of us are guilty on one or more counts and we thereby exhibit an excellent example of false economy. In most cases we spend twice as much in actual cash, time and shoe leather as the few pennies we are supposedly 'saving.'
